

HELP US PRESERVE THE PIER FOR FUTURE GENERATIONS WITH A FREE WILL

WWW.CLEVEDONPIER.COM

CLEVEDON PIER
& HERITAGE TRUST

Star  **Legal**
SOLICITORS

Make your Will with Star Legal and they will waive their fee in exchange for a donation to Clevedon Pier to help us protect this historic structure from the ravages of the Severn Estuary.

Star Legal would usually charge about £250 to make a Will, so a donation of £90 to the Trust for a single Will is suggested to reflect their time and expertise.

Susan Fairless, who is a specialist Wills solicitor, says **“Everyone should make a Will, because without one, you have no control over who is entitled to your money and property when you are no longer around. They should also be revised from time to time to reflect your current situation.”**

You need to move fast though, because **the free legal work only applies to appointments booked for the week beginning 2 October 2017** and the appointments will be made on a first come first served basis. To take up this offer, call Susan at Star Legal on 01275 877 277.

Please note that this offer applies to a basic will - if you have complex financial affairs e.g. you wish to set up a trust for your beneficiaries, there would be a charge for additional work.
